# DISCOVERY WEEK FAQs

## REGISTRATION BY APPOINTMENT

In order to manage the flow of registration and cut down on wait times for students, registration will be by appointment.

Pre-registered students can sign up for an appointment time by clicking the “Registration Appointment Scheduler” link in ASLAN. If you do not have internet access, call 208-376-7731 to schedule an appointment with Nadene Mack or Maxine May.

Students who do not sign up for registration appointments must wait in line until a slot opens. This may be just a few minutes . . . but could be hours. Students who have scheduled appointments will be allowed to jump line in front of you at every step of the registration process. Save yourself a frustrating day and schedule an appointment.

## BE READY FOR REGISTRATION

In order to best serve students during registration, the financial aid office will be closed a couple days prior to registration to complete critical preparation work. If you have any unfinished financial aid business to complete, please do so by January 13th.

Down payments may still be made while the financial aid office is closed. If you need information about your down payment during this period, contact the business office.

If you need to make payment arrangements with the business office, please do so prior to January 15th.

## REGISTRATION PROCEDURE

Check in at the south entrance of the Chapel lobby (facing the dorms) to begin registration. Plan at least one hour to complete registration.
