DISCOVERY WEEK FAQs

REGISTRATION BY APPOINTMENT

In order to manage the flow of registration and cut down on wait times for students, registration will be by appointment.

Instructions for scheduling a registration appointment will be sent to you with your orientation schedule in early August. You will need to follow the instructions to set up an appointment with their assigned advisor. If you have questions or problems regarding scheduling your appointment contact Nadene Mack at 208-376-7731. We encourage you to check your email and ASLAN frequently!

Students who do not sign up for registration appointments must wait in line until a slot opens. This may be just a few minutes . . . but could be hours. Students who have scheduled appointments will be allowed to jump line in front of you at every step of the registration process. Save yourself a frustrating day and schedule an appointment.

For questions about registration, please contact academics at academics@boisebible.edu or 208-376-7731.

BE READY FOR REGISTRATION

In order to best serve students during registration, the Financial Aid Office will be closed August 15-16th, to complete critical preparation work. If you have any questions or unfinished financial aid business to complete, please do so by August 9th by contacting Financial Aid at financialaid@boisebible.edu.

Be prepared to make a down payment and arrange payment plans as part of your registration appointment.

REGISTRATION PROCEDURE

Check in at the south entrance of the Chapel lobby (facing the dorms) to begin registration. Plan at least one hour to complete registration.
